Our Commitments

OUR COMMITMENT TO SAFETY, QUALITY AND ENVIRONMENT IS CENTRAL TO EVERYTHING WE DO

Sinjar commitment to safety, quality and environmental is ingrained in everything we do as a company. It's visible in our core values, the work that we build and in our people. Without a strong commitment to these areas, we wouldn't be the company we are today.

Safety first

Safety comes above all else. To us, nothing is more important than the safety of the employees in our project sites and the public surrounding them – which is why we have dedicated safety personnel on all our projects.

We strive to take our performance to the next level time after time.

- ✓ **Our Commitments**
- ✓ **Safety**
- ✓ **Quality**
- ✓ **Environment**

What we do matters

We know our work makes a difference in the world. Because of this, our employees realize they have a responsibility to build our work like the corporate citizens that we are – and with the highest regard to environmental compliance. After all, we build in our own backyards as much as we do yours.

We have built a reputation on high standards. To maintain them, we consistently focus on our policy of excellence, which assures our quality, reliable operations.
